

## Funny Things April Fools Fancy Dress Day 1st April 2019

Encourage your staff to get into the spirit of Funny Things on the silliest day of the year, with a fancy dress competition on April Fools Day.

We plan to make April Fools Day 2019 a Funny Things day, with fancy dress competitions at businesses across the Black Country.

Hold a fancy dress competition, it could be the silliest hat, the most humorous hairstyle or full outrageous outfits.

Share your April Fools Day antics on social media and tag us!!  
@funnythingsbc #funnythings

Your contribution of £1 per person will go towards enabling people from Wolverhampton's most disadvantaged communities to come along to the festival.

Encourage your employees to 'pay it forward' and enable those most in need to escape all the pressures of everyday life for a time and have a laugh.

### Money raised will go towards:

**£50** would fund a place on a comedy workshop for one young person to develop their confidence and build key life skills

**£100** would provide 10 people with a night of laughter at one of the festival events

**£250** would provide transport for 10 young people to safely get to and from an event in the city centre

**£500** would provide a workshop for a community group in their local area, in a community space of their choice

**£1000** would provide a hot meal, ticket to a show and transport for 20 people

To register your business to take part in the April Fools Fancy Dress Day please email [info@creativeblackcountry.co.uk](mailto:info@creativeblackcountry.co.uk).
